

Tattooed Chef Added to Russell Microcap® Index

June 27, 2022

PARAMOUNT, Calif., June 27, 2022 (GLOBE NEWSWIRE) -- **Tattooed Chef, Inc.** (Nasdaq: TTCF) ("Tattooed Chef" or the "Company"), a leader in plant-based foods, announced today that it was added to the Russell Microcap® Index at the conclusion of the 2022 Russell indexes annual reconstitution, effective after the US market opens on June 27.

Membership in the Russell Microcap® Index, which remains in place for one year, means automatic inclusion in the appropriate growth and value style indexes. FTSE Russell determines membership for its Russell indexes primarily by objective, market-capitalization rankings, and style attributes.

"Tattooed Chef's addition to the Russell Microcap® Index offers an exciting opportunity to elevate our Company's profile among investors and enhance our visibility," said Sam Galletti, President and CEO of Tattooed Chef. "We are proud of the success we have enjoyed in scaling our business while implementing initiatives to drive efficiencies, reduce costs, expand margins, and enhance our competitive profile. We are driven by the belief that everybody has a plant-based side, and will continue to introduce new and delicious plant-based food for a wide range of eating occasions, flavor profiles, and nutritional needs."

Russell indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for active investment strategies. Approximately \$12 trillion in assets are benchmarked against Russell's US indexes. Russell indexes are part of FTSE Russell, a leading global index provider.
